

YACHT CLUB | PUNTA DEL ESTE

# The ideal place for sailing

Punta del Este: an all-in-one city

URUGUAY

# Location

**The most  
beautiful peninsula**

PUNTA DEL ESTE:

# Where nature and development find the perfect balance

A peninsula drives into the sea, open ocean -the South Atlantic- on one side, and Gorriti Island on the other, closing a fantastic bay. This makes it a sailors delight, as in a very short distance you will find great swells and on the other very calm waters.

Our bay provides an excellent, challenging and yet safe sailing course, in beautiful, unpolluted waters.

The city has lots to offer, with a wide variety of options for accommodation, eating out and entertainment, all within walking distance. Furthermore, it is well known for its security.

HOST VENUE:

# Yacht Club Punta del Este: a passion, a lifestyle, a family...

Founded on February 14, 1924, the Yacht Club Punta del Este will be proudly celebrating its 100° anniversary on 2024.

The Club is situated right next to the harbour and has two buildings, the main Clubhouse and the “Yateste” located at the opposite end of the street.

■

The Clubhouse is considered to host one of the most distinguished restaurants in the area, with terraces overlooking the bay, two bars and an inner garden. Also located there a Business centre, the main offices and a conference room.

Yateste is our nautical hub, a building that has offices with fantastic views of the port, frequently used by the Race Committees and organisers. There are also rooms available for accommodation, a casual restaurant/snack bar and a GYM.

# Marina Facilities

- 63 berths in YCPE's Marina within Punta del Este's Port
- Boat park with space for more than 400 boats
- Wide ramp next to the boat park.
- Dockside support
- Clean, unpolluted water both in and outside the port

# Host of major sailing events for nearly a century

YCPE has been host of many international events, such as the Snipe World Championship, Soling World Championship, Cape town-Punta del Este, Whitbread Round the World Race, BOC Around Alone and Clipper Round the World Yacht Race. Each year we host the Rolex Cup - South Atlantic Circuit, co organised with the Yacht Club Argentino.

In the Optimist Class, we've hosted two South American Championships, every year AUDO and Nationals regattas, all year round Optimist Sailing School.

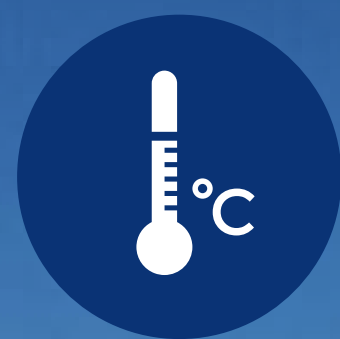

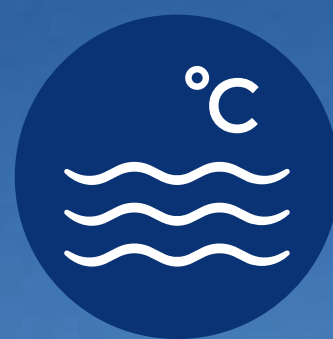

# Sailing in Punta

Nine months with good sailing conditions, enough wind and pleasant temperature.  
The best months for sailing are between November and late March (Thermal winds)

**Mild weather**

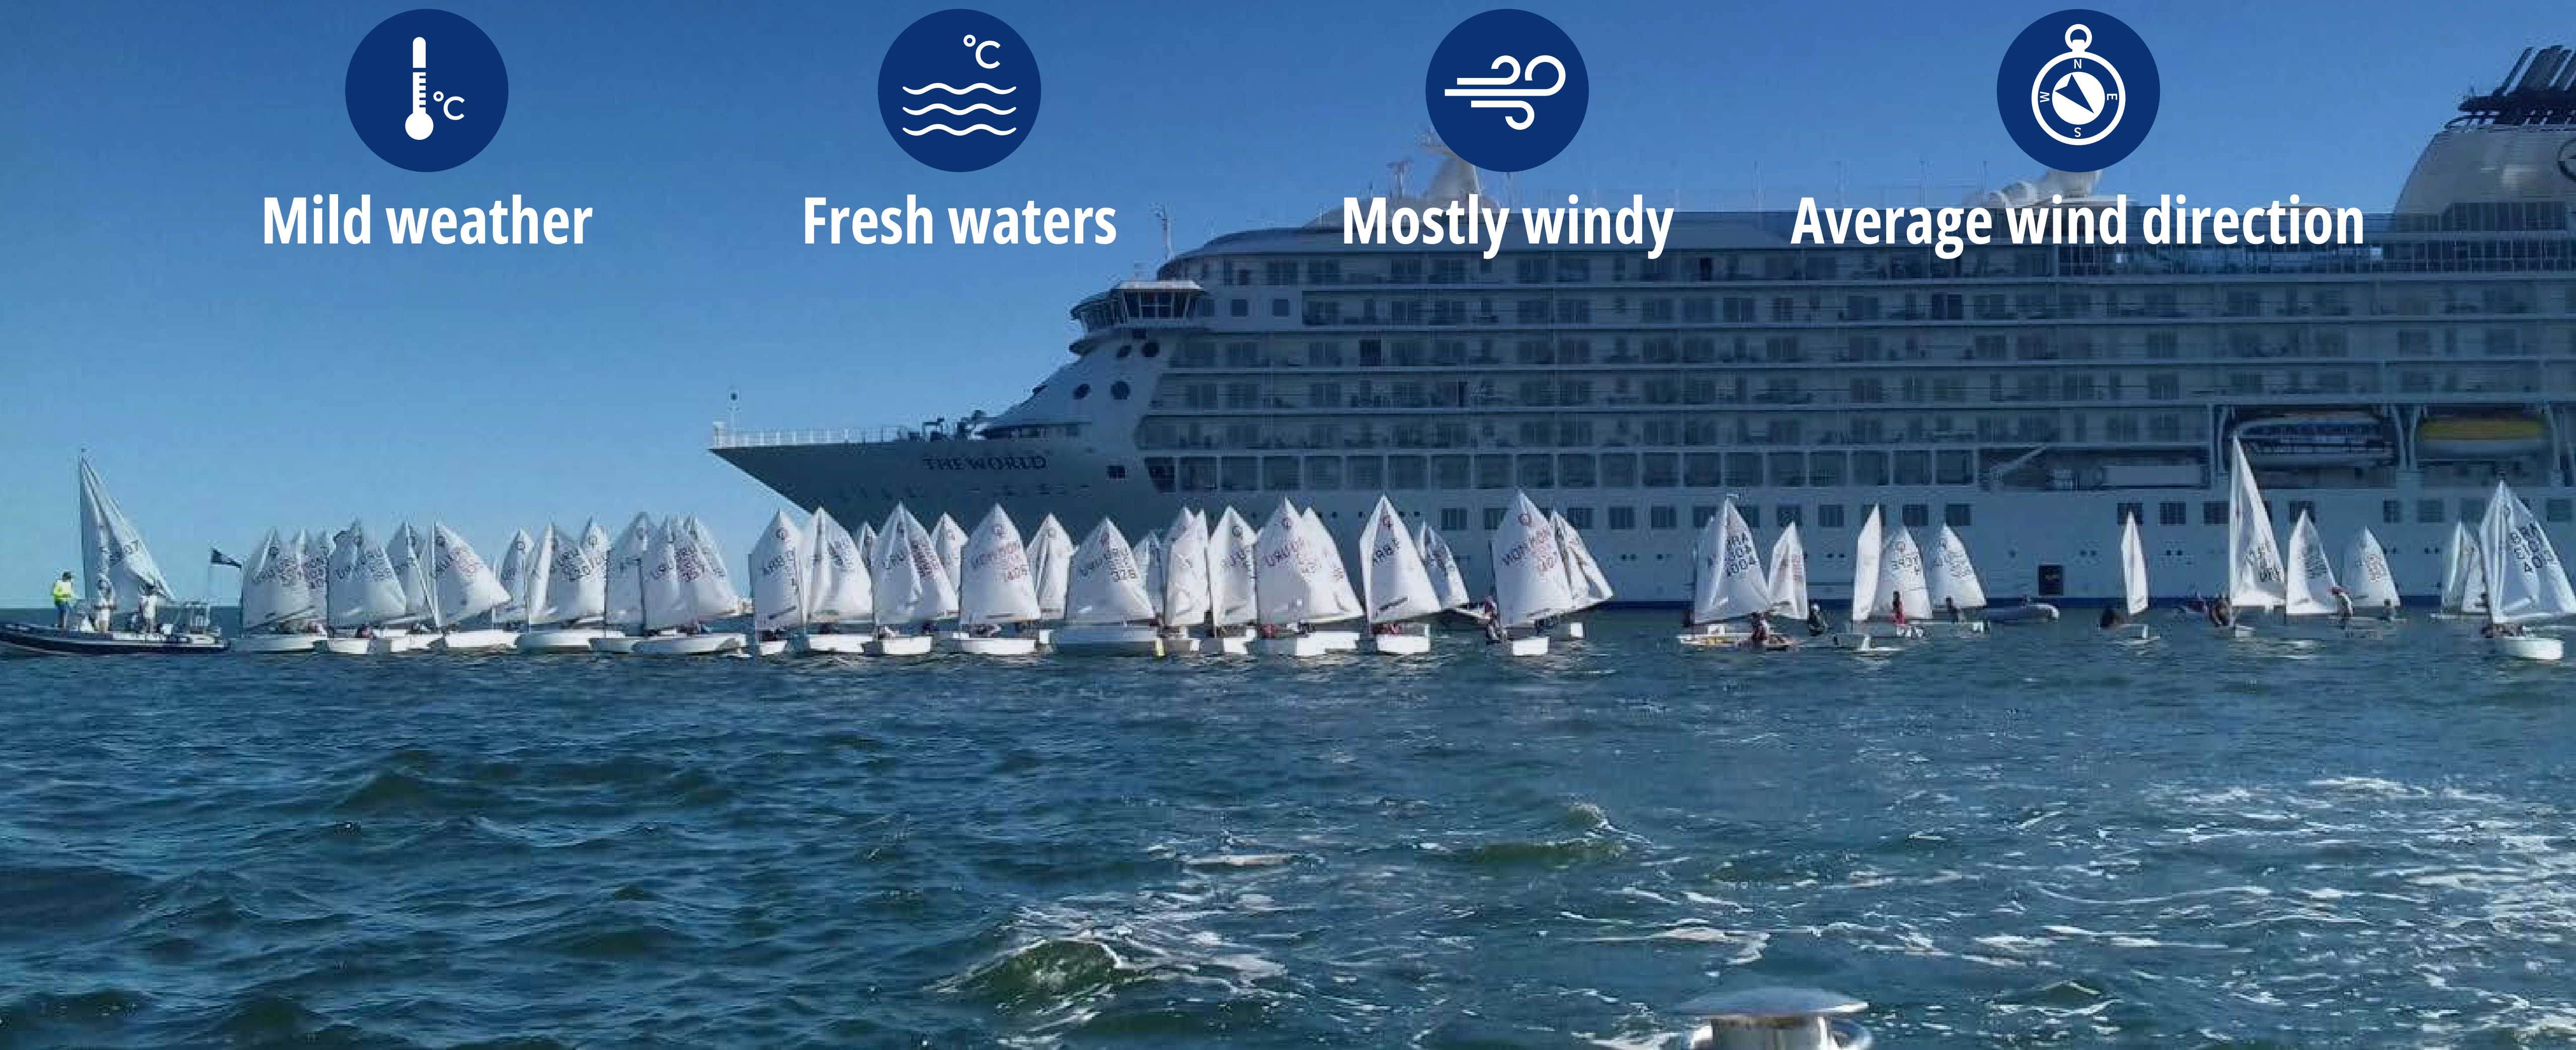

**Fresh waters**

**Mostly windy**

**Average wind direction**

# Several and enjoyable **Racing Areas**

---

Sailing only 200 meters away from Parada 3 dock (a great spot for spectators).  
Punta del Este offers many possibilities  
for both racing areas and spectators.

# Charter Boats

---

Available suppliers for logistics. We work with well known providers which guarantee a great service and support. Quality products.
